- SEVERE WEATHER
- INJURY/ACCIDENT
- ROBBERY/CRIME
- OTHER (specify) _____

MEDICAL EMERGENCY

Detail immediate actions in the case of the emergency listed below. What to do, who to call, where to go, how to get there, follow up actions etc.

Immediately call RRR +(501)627-1117 or 911

Stabilize the patient, perform CPR if necessary

Have someone go to the front of the driveway to the road to provide directional assistance for the ambulance.

If a dire emergency, start transporting the patient south toward San Pedro and meet the ambulance on the way down.

Follow up with the hospital to ensure the patients safety

FIRE EMERGENCY

Detail immediate actions in the case of the emergency listed below. What to do, who to call, where to go, how to get there, follow up actions etc. Indicate your evacuation route and safe zone.

Immediately dial 990 and report the fire

Evacuate any person inside the facility based on diagram posted in facility

Move them outside to West end of property for protection

Attempt to put the fire out by hosing down the property if possible

SEVERE WEATHER EMERGENCY (Tropical Storm, Flood, Hurricane, Earthquake,)

Detail immediate actions in the case of the emergency listed below. What to do, who to call, where to go, how to get there, follow up actions etc.

In case of a Tropical Storm, Flood, Hurricane or Earthquake always follow instructions as given by local government authorities. This may be found out by going to the Facebook page of:

NEMO Belize Rural South

INJURY/ACCIDENT EMERGENCY

Detail immediate actions in the case of the emergency listed below. What to do, who to call, where to go, how to get there, follow up actions etc.

See instructions for Medical Emergency. If it is a non-emergency situation, the patient may be taken to Belize Medical Clinic. The phone number is +(501)226-2262 and they are located about 6 miles south of the property

ROBBERY/CRIME EMERGENCY

Detail immediate actions in the case of the emergency listed below. What to do, who to call, where to go, how to get there, follow up actions etc.

Immediately call 911 and listen to the advice of the police. Try and stay away from the suspect but do what they ask so that you may remain safe.

Report all crimes to the police.
